I. INTRODUCTION

- A. **HSA Qualified Preferred Provider Plan.** This Policy is a Preferred Provider High Deductible Health Plan (HDHP) that can be used with a federally qualified Health Savings Account (HSA). It provides a higher level of benefits for Covered Services obtained from Network Providers. You are required to use Network Providers in order to receive the higher level of benefits or in some cases any benefits. You are not required to establish or maintain an HSA in order to purchase this plan.
- B. **Defined Terms.** Capitalized terms in this Policy have the meanings set forth in Section IX, Definitions.
- C. **Eligibility.** To be eligible for coverage under a WSHIP Policy, You must meet the eligibility requirements under Washington State law. These requirements include that You are a resident of Washington State; that You (or Your covered parent) have been enrolled in WSHIP prior to December 31, 2013 and have not had a termination of coverage as provided in Section II.C of this Policy or You live in a Washington State county where an individual health benefit plan other than a Catastrophic Health Plan is not offered during defined open enrollment or special enrollment periods; and You are not eligible for Medicaid or Medicare coverage. If You become eligible for Medicaid or Medicare while this Policy is in effect, coverage under this Policy will terminate (see Section II.C, Termination of Coverage). In any event, WSHIP's non-Medicare plans will be discontinued at the end of 2022 and Your coverage will terminate on December 31, 2022.
- D. **Please Read—10-Day Right to Examine Policy.** If You are not satisfied with this Policy, You may return it to Us within 10 days of Your receipt of the Policy. If You timely return the Policy, We will refund Your premium and this Policy will be void, retroactive to the Policy effective date.
- E. **Administrator of the Policy.** The Administrator processes claims and administers most services on Our behalf (except for Prescription Drug services which are administered by Our Pharmacy Benefit Manager). If You have any questions about a medical claim or other items such as premiums, coverage or cost-sharing, You should contact the Administrator. If You have any questions about a Prescription Drug claim, You should contact the Pharmacy Benefit Manager.
- F. **Provider Networks.** We have contracted with a network of medical care providers and facilities, and a network of pharmacies to deliver Covered Services and help You manage the cost of health care. A list of Network Providers and Network Pharmacies is available on our website at www.wship.org. You may also request this information by calling Our Administrator at 1-800-877-5187 or Pharmacy Benefit Manager at 1-800-859-8810. This Policy's benefits and Your out-of-pocket expenses depend on the providers from whom You seek care as set forth below:
1. All covered Medical Services must be obtained from a Network Provider to be payable at the higher level of benefits contained on the Schedule of Benefits, except services which meet the definition of Emergency as set forth in this contract. Covered Medical Services from non-Network Providers are payable at the lower level of benefits contained on the Schedule of Benefits.

2. Transplant services must be obtained from a Network Provider. Should covered transplant services not be available from any Network Provider, such services performed by a non-Network Provider will be covered as if they had been obtained from a Network Provider. (Transplant services must also be approved by Us in advance in accordance with Section III.B, Transplant Surgery and Related Expenses.)
3. Network Providers have agreed to bill Us directly for Covered Services and accept the Allowed Amount (including amounts for which You are responsible) as payment in full. You will be responsible for applicable deductibles, coinsurance, copays, amounts in excess of stated benefit maximums, and charges for non-Covered Services.
4. If You obtain Covered Services from a non-Network Provider, You will be responsible for amounts above the Allowable Amount, in addition to applicable deductibles, coinsurance, copays, amounts in excess of stated benefit maximums, and charges for non-Covered Services. You may also be required to pay the provider in full at the time of service and submit a claim to Us for Covered Services.
5. All covered Prescription Drugs must be obtained at a Network Pharmacy except as described in Section III.B, Prescription Drugs, Contraceptive Devices, Antigens and Allergy Vaccines.

II. EFFECTIVE DATE, DEPENDENTS, TERMINATION AND POLICY REPLACEMENT OR DISCONTINUATION

- A. **Policy Effective Date.** This Policy will become effective and coverage begins at 12:01 a.m. Pacific Time on the first day of the month following Our approval of Your application, provided that Your completed application and required premium payment are received by the Administrator by the last day of the month preceding the effective date of Your Policy. Under limited circumstances and after obtaining the written approval of the Administrator, You may have an earlier or later effective date.
- B. **Dependent Children.** Coverage for Your Dependent Children is available under a separate Policy offered by Us. You may obtain coverage for Dependent Children at the time You apply for coverage or after Your coverage begins at any time a qualifying event occurs or during Our yearly open enrollment period. A qualifying event is limited to the birth or adoption of a Dependent Child or a Dependent Child's loss of health insurance coverage due to a parent's loss of such coverage. The Dependent Child must meet the eligibility requirements for coverage, and benefits are subject to payment of the applicable premium and all other provisions of the applicable Policy. Coverage will include the necessary care and Treatment of medically diagnosed congenital defects and birth abnormalities.

For a Dependent Child who lost coverage under a parent's policy, coverage will begin on the first day of the month following Our receipt of complete enrollment information and premium payment. Your newborn or adopted Dependent Child will

be covered automatically for 31 days from the moment of birth for a newborn or placement in Your home for an adopted Dependent Child. Coverage after the 31st day will be under the Policy applicable to the Dependent Child and is subject to Our receipt from You within the 31-day period of (1) written notification of the birth or adoption, (2) enrollment information for the child, and (3) the applicable premium. A child is deemed adopted when the child is physically placed, for the purpose of adoption under the laws of the state, in Your custody and You assume financial responsibility for the medical expenses of the child. Evidence of adoption will be required as a condition of enrollment of the child.

The Dependent Child's coverage will terminate upon attainment of age 26, except that coverage may be continued beyond age 26 while the Dependent Child is:

1. Incapable of self-sustaining employment by reason of developmental disability or physical handicap; and
2. Chiefly dependent upon You for support and maintenance, provided that proof of such incapacity and dependence is furnished to Us within 31 days of the Dependent Child's 26th birthday.

We may require proof of continuing incapacity and dependence from time to time, but not more often than annually after the two-year period following the Dependent Child's 26th birthday.

If You die during the Policy period and You have Dependent Children covered under one of Our policies, those Dependent Children may elect, if such election is done in writing within 30 days of the date of Your death, to continue coverage under one of Our policies.

C. Termination of Coverage. Coverage under this Policy will continue until terminated as set forth below:

1. **Events of Termination.** Coverage under this Policy will terminate if any of the following events occur. The termination will be effective as of 11:59 p.m. Pacific Time on the date the event occurs unless a different date is specifically identified below.
 - a. You send written notice of termination to the Administrator. Termination will be effective on the date that the Administrator receives the notice unless a future date is requested;
 - b. You fail to pay the applicable premium within the 31-day grace period. Termination will be effective on the last day of the period for which Your premium was paid;
 - c. You are no longer a Washington State Resident;
 - d. You become eligible for Medicare;
 - e. You became eligible for Medicaid after June 30, 2008;
 - f. You fail to respond within 30 days to Our inquiry about Your eligibility or place of residence; or
 - g. You commit a material fraudulent act upon or against Us.

2. **Additional Event of Termination: Availability of Individual Plans in Your County.** If You have qualified for this Policy based on the unavailability of an individual health benefit plan in Your Washington State county of residence and an individual health benefit plan other than a Catastrophic Health Plan becomes available in Your county, then coverage under this Policy will terminate. If this happens, WSHIP will give You a 90-day written notice of termination. The notice will describe any other coverage options, either in or outside of WSHIP, and other information as required by law.
3. **Services After Termination.** If You are receiving Covered Services as a registered inpatient in a Hospital, Skilled Nursing Facility (SNF) or other covered facility on the date of termination, You will continue to be eligible for Covered Services while You are an inpatient for the condition for which You were hospitalized or confined, until one of the following events occurs:
 - a. We determine that it is no longer Medically Necessary for You to be an inpatient at the facility;
 - b. The benefits available under this Policy for hospitalization or confinement are exhausted, regardless of whether a new Calendar Year begins;
 - c. You become covered under another policy that provides benefits for the hospitalization or confinement; or
 - d. You become enrolled under an agreement with another carrier that would provide benefits for the hospitalization or confinement if this Policy did not exist.

This provision will not apply if You are covered under another policy that provides benefits for the hospitalization or confinement at the time coverage would terminate. You are responsible for payment of all charges for services and items provided after the effective date of termination, except those services covered above.

- D. Reinstatement.** We will not reinstate this Policy if it terminates due to nonpayment of premium. If You mail or deliver a premium to Us after the 31-day grace period, We will return it to You as soon as We determine that the premium is late. No agent is authorized by Us to accept a late premium.

You may re-apply for coverage under the Policy if You again become eligible, provided at least 12 months have elapsed since the old Policy terminated or You can show continuous other coverage which has been involuntarily terminated for any reason other than nonpayment of premiums.

- E. Continuity of Coverage: Replacement or Discontinuation.** This Policy may be replaced or discontinued by Us as follows:

1. **Replacement.** We may replace this Policy by offering You a replacement policy which includes all of the services covered under this Policy and which does not limit access to the services covered in the replacement policy through unreasonable cost-sharing requirements or otherwise. We will also offer You the unrestricted right to transfer to a fully comparable plan offered by WSHIP and for which You are otherwise eligible.

2. **Discontinuation.** We may discontinue this Policy after providing You with notice 90 days prior to the date of discontinuation of this Policy. In this event, We will also offer You the option to enroll in any other plan offered by WSHIP and for which You are otherwise eligible. In offering You the option to enroll in other plans, We will act uniformly without regard to health status-related factors of You and other individuals who are or become eligible for the coverage We offer.
- F. Termination of WSHIP Non-Medicare Plans.** Pursuant to Washington State law, WSHIP is required to discontinue all non-Medicare plans effective December 31, 2022. WSHIP will not be offering You an option to enroll in any other WSHIP non-Medicare plan after December 31, 2022.

III. **BENEFITS**

This section of the Policy describes the specific benefits this Policy provides. Benefits are available only for the services described below and are subject to applicable deductibles, coinsurance, copays, limitations, exclusions and all other provisions of this Policy.

- A. Conditions for Payment of Benefits.** We provide benefits for a Covered Service, up to the Allowed Amount, only if it is:
1. Received while You are insured under this Policy;
 2. Ordered by and under the direct supervision of a Physician;
 3. Medically Necessary as determined by Us; and
 4. Not excluded or beyond the limitations or benefit maximums of this Policy.
- B. Covered Services and Limitations.** The following are Covered Services under the Policy:
1. **Acupuncture.** Acupuncture services performed by an individual acting within the scope of his or her license that are Medically Necessary to relieve pain, induce surgical anesthesia or treat a covered Illness.

Benefits for acupuncture are limited to 12 visits per Calendar Year.
 2. **Ambulance.** When necessary because of Your medical condition, licensed ambulance services for transportation to the nearest Hospital or SNF qualified to treat Your Illness.
 3. **Blood Products and Services.** Blood and blood derivatives.
 4. **Breast Reconstruction Following Mastectomy.** Reconstructive surgery of the breast on which the mastectomy has been performed and all stages of reconstructive breast reduction of the non-diseased breast to equal the size of

the diseased breast following surgery due to a mastectomy. Treatment of the physical complications of all stages of mastectomy, including lymphedemas, are also Covered Services.

5. **Chemical Dependency.** Services for alcohol, drug, or chemical dependency or abuse are Covered Services when provided by a state-certified chemical dependency program approved under chapter 70.96A Revised Code of Washington (RCW), or by a Physician, psychologist, or community mental health professional, or, at the direction of a Physician, by other qualified licensed health care practitioners.

Benefits for Medically Necessary detoxification services are covered under this benefit unless they are rendered in an emergency room setting in which case the detoxification services will be covered under Section III.B, Emergency Room Services.

6. **Congenital Defects and Birth Abnormalities.** Necessary care and Treatment of medically diagnosed congenital defects and birth abnormalities.
7. **Diabetes Education Program.** A diabetes patient education program that is provided by a Health Care Provider. You must be enrolled in the diabetes education program, and it must be certified by the American Association of Diabetes Educators.

Benefits for diabetes education programs are paid at 100%, and the deductible is waived.

8. **Diagnostic Services.** Diagnostic laboratory, pathology, imaging and scans such as x-rays and electrocardiograms (EKGs).
9. **Emergency Room Services.** Emergency room facility services, including related services and supplies such as surgical dressings and drugs, furnished by and used in the emergency room. Also covered under this benefit are Medically Necessary emergency room detoxification services. Emergency Room Services provided by a non-Network Provider are not subject to higher cost-sharing requirements than if the same services were provided by a Network Provider.
10. **Home Health Care.** The following items and services are covered home health care services when ordered by a Physician and furnished (1) in a private home, (2) by a Home Health Agency, and (3) in accordance with a Home Health Care Plan. Home health care services include:
 - a. Nursing care provided on a part-time (less than an eight-hour shift) or intermittent basis by a registered nurse (RN) or a licensed practical nurse (LPN);
 - b. Physical, occupational, respiratory or speech therapy provided by a licensed therapist; and
 - c. Limited home health aide services provided under the supervision of an RN.

Home health care services are covered only if You are unable to leave home due to Illness. (Unwillingness to travel or arrange for transportation does not constitute an inability to leave home.)

One home health care visit will consist of:

- a. One visit for the services listed under subsections (a) and (b) above; or
- b. Up to four consecutive hours for the home health aide services shown under subsection (c) above.

Benefits for home health care are limited to 130 visits per Calendar Year. Home health care provided as an alternative to inpatient Hospital care, as determined by Us, is not subject to this limit.

Home health care excludes Custodial Care and maintenance care, private duty and continuous nursing care, housekeeping and meal service, any care provided by or for a member of Your family, and any other services that are not listed above.

11. **Hospice Care.** Hospice Care services received in lieu of curative Treatment for a terminal Illness during the period of time that You are participating in a Hospice Care program.

Benefits for Hospice Care are limited to:

- a. Those services provided under a coordinated, interdisciplinary program provided by a licensed Hospice Care agency; and
- b. Respite care to relieve anyone who cares for You when You are participating in a Hospice Care program.

Inpatient hospice services and supplies shall be covered in accordance with Section III.B, Hospital Inpatient.

Hospice Care excludes all services not specifically listed above and does not include bereavement therapy or counseling, financial or legal counseling services, housekeeping or meal services, custodial or maintenance care, or any services provided by members of Your family.

12. **Hospital Inpatient.** Room and board at the semiprivate room rate of the Hospital, or the Hospital's most common private room rate if a private room is Medically Necessary, and other Hospital services and supplies that are furnished to You as an inpatient.
13. **Hospital Outpatient.** Hospital Medical Services and supplies furnished on an outpatient basis.
14. **Infusion Therapy.** Outpatient professional services, supplies, drugs and solutions required for infusion therapy (also known as intravenous therapy). This benefit does not cover over-the-counter drugs, solutions and nutritional supplements.

15. **Mammography.** Routine or diagnostic mammography for a woman that is ordered by a Physician, an advanced registered nurse practitioner (ARNP), or a physician's assistant.

Benefits for mammography are paid at 100% when provided by a Network Provider, and the deductible is waived.

16. **Massage Therapy.** Services of a licensed massage practitioner (LMP) when prescribed by a Physician.

Benefits for massage therapy are limited to 12 visits per Calendar Year.

17. **Maternity Services.** Maternity services are Covered Services. For covered prenatal, maternity and newborn care, Your attending Health Care Provider in consultation with You makes the following decisions:

- a. Length of inpatient stay;
- b. Inpatient post-delivery care; and
- c. Follow-up care to include type and location, which may include Home Health Agency services and RN services.

18. **Medical Supplies and Equipment.**

- a. Medical equipment, services, or supplies that require a Physician's order and which are Medically Necessary and consistent with the diagnosis, Treatment, and condition.
- b. Purchase (or rental up to the purchase price) of Durable Medical Equipment used for therapeutic purposes with no personal use in the absence of the condition for which it is prescribed, but only if it:
 - (1) Is prescribed by Your attending Physician; and
 - (2) Is used to serve a medical purpose other than for transportation, comfort or convenience;
- c. Initial internal breast prostheses following mastectomy;
- d. Braces, crutches and prostheses (except dental prostheses);
- e. Up to four post-mastectomy bras and sleeves per Calendar Year. A post-mastectomy bra is a bra that is specifically designed and intended to support single or bilateral breast prostheses;
- f. Colostomy bags and related supplies;
- g. Catheters;
- h. Blood glucose monitors, insulin pumps and accessories to pumps, insulin infusion devices, and syringes and needles for insulin and allergy injections; and
- i. Oxygen.

19. **Medical Therapy.** Chemotherapy, radioisotope, radiation and nuclear medicine therapy.

20. **Mental Health Care.** Covered mental health services include outpatient and inpatient services provided to treat mental disorders covered by the diagnostic categories listed in the most current version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association. Services must be provided by a Hospital, Washington State licensed community mental health agency, Physician, or psychologist. Covered services may also be furnished by a state Hospital that is operated and maintained by the State of Washington for the care of the mentally ill.
21. **Nutritional Therapy.** Outpatient nutritional therapy services.
22. **Oral Surgery.** The following forms of oral surgery:
- a. Oral surgery related to fractures of facial bones;
 - b. Excisions of mandibular joints;
 - c. Excisions of lesions of the mouth, lip or tongue;
 - d. Excisions of tumors or cysts;
 - e. Incision of accessory sinuses, mouth, salivary glands or ducts;
 - f. Dislocation of the jaw;
 - g. Plastic reconstruction or repair of traumatic injuries; and
 - h. Excision of impacted wisdom teeth.
23. **Outpatient Surgery.** Surgical services and supplies furnished on an outpatient basis.
24. **Prescription Drugs, Contraceptive Devices, Antigens and Allergy Vaccines.**
- a. Prescription Drugs dispensed pursuant to a prescription filled by a licensed pharmacist to treat a covered illness;
 - b. Contraceptive drugs, contraceptive injections and contraceptive devices when prescribed by a Health Care Provider and dispensed by a licensed pharmacist; and
 - c. Antigen and allergy vaccines dispensed by a Physician or a laboratory.

Over-the-counter drugs, food supplements, vitamins that do not require a prescription, and herbs are not covered.

Information about Our mail order pharmacy and a list of Network Pharmacies is available on Our website at www.wship.org. You may also request this information by calling Our Pharmacy Benefit Manager at 1-800-859-8810. All Prescription Drugs and pharmacy services must be obtained from a Network Pharmacy or through Our mail order pharmacy except for:

- a. Prescription Drugs dispensed by a Health Care Provider when related to Emergency services; and
- b. Prescription Drugs dispensed by a non-Network Pharmacy when a Network Pharmacy is not available within a 30-mile radius of Your home or prescribing Health Care Provider.

Except for the exceptions listed above, Prescription Drugs obtained from a non-Network Pharmacy are not covered.

Prescription Drug coinsurance (or copays) are per prescription of a 30-day supply or less (90-day supply or less for prescriptions obtained through the WSHIP mail order pharmacy).

When an equivalent generic substitute is available and You request a brand-name drug, the brand coinsurance (or copay) will apply. You will also be responsible for the difference in cost between the brand drug and the generic equivalent. This will not apply if Your prescribing Health Care Provider verifies a medical need for use of the brand drug instead of a generic equivalent and it is approved through Our appeals process. A generic drug means a drug that is chemically and therapeutically identical to a brand drug but manufactured at a lower cost. The U.S. Food and Drug Administration (FDA) requires generic drugs to meet the same standards as brand drugs. A brand drug is a drug that is under patent by its original innovator.

This benefit includes a Preferred Prescriptions drug list (formulary) and coverage review programs which may require that certain drugs or drug categories be subject to prior authorization and/or quantity limits. A copy of Our Preferred Prescriptions drug list and information about Our coverage review programs are available on Our website at www.wship.org and from Our Pharmacy Benefit Manager at 1-800-859-8810.

25. **Preventive Health Care.** This benefit covers routine physical exams, routine well-baby care, routine well-women's care, FDA-approved contraceptive devices, and implants including the insertion and removal of those devices or implants, routine immunizations for adults and children as recommended by the U.S. Preventative Service Task Force (USPSTF) A and B, the Health Resources and Services Administration (HRSA), and the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention (CDC), and routine health screening including newborn hearing loss and visual acuity screening for children. Benefits will be covered under this Preventive Health Care benefit if services are in accordance with the age limits and frequency guidelines according to, and as recommended by, the USPSTF, the HRSA, or the CDC. In the event any of these bodies adopts a new or revised recommendation, this plan has up to one year before coverage of the related services must be available and effective under this benefit. For a list of services covered under this benefit, please visit www.wship.org or contact Customer Service at 1-800-877-5187. Covered Services that do not meet this criteria will be covered the same as any other illness.

Services covered under this Preventive Health Care benefit are not subject to cost-sharing.

26. **Professional Services.** Professional services, including surgical services and anesthesia services, for the Treatment of Illness that are rendered by a Health Care Provider or at a Health Care Provider's direction. Professional Services do

not include professional dental services, except as specifically provided under the Oral Surgery benefit in Section III.B.

27. **Rehabilitation and Habilitative Services.** The services of a registered physical therapist, certified speech pathologist or speech therapist (for the purpose of restoring lost speech function), licensed occupational therapist, and licensed respiratory therapist. Services must be provided within a Treatment plan prescribed by Your Physician to help restore or improve a function that was lost due to accidental injury or Illness. Rehabilitation therapy services for neurodevelopmental disabilities with documentation from the attending Physician that such care is necessary to prevent further deterioration of the neurodevelopmental disability are Covered Services. Maintenance care and therapy for learning and education disabilities or difficulty are not Covered Services. Inpatient services are limited to a maximum of 30 days per Calendar Year. Outpatient services are limited to a maximum of 25 visits per Calendar Year.

Habilitative Services include Medically Necessary inpatient and outpatient health care services including speech therapy, occupational therapy, physical therapy, aural therapy and devices approved by the FDA. Habilitative Services are therapies that help You keep, learn or improve skills and functioning for daily living within Your environment or to compensate for Your progressive physical, cognitive or emotional Illness. These services include keeping and learning age-appropriate skills and functioning. Chore services to assist with basic needs, vocational or custodial services are not classified as Habilitative Services and are not covered under this Policy. Inpatient services are limited to a maximum of 30 days per Calendar Year. Outpatient services are limited to a maximum of 25 visits per Calendar Year.

28. **Skilled Nursing Facility (SNF).** Room and board at an SNF's lowest semiprivate room rate and the services and supplies that are furnished for medical care therein.

Any SNF confinement is covered only if it is in lieu of Medically Necessary confinement in a Hospital under the supervision of a doctor of medicine or osteopathy (MD or DO).

Benefits for an SNF are limited to 100 days of confinement per Calendar Year.

29. **Spinal and Other Manipulative Treatment.** Spinal and other manipulations to treat a covered Illness, injury or condition.
30. **Sterilization.** Sterilization is a Covered Service. Reversal of sterilization is not a Covered Service.
31. **Tobacco Cessation.** When provided through a WSHIP-Designated Network Provider, services related to tobacco cessation are covered, limited to:
- a. Participation in a WSHIP-designated program; and

- b. Approved Prescription Drugs or prescribed over-the-counter drugs or medications for tobacco cessation.

32. Temporomandibular Joint (TMJ) Disorders or Myofascial Pain Dysfunction (MPD). Medical services and supplies for Treatment of TMJ disorders or MPD.

- 33. Transplant Surgery and Related Expense Benefits.** Solid organ transplants and bone marrow/stem cell reinfusion procedures which meet Our criteria for coverage, and related expenses which We have determined, in advance, to be Medically Necessary are Covered Services subject to all applicable exceptions set forth below. Transplant services must be obtained from a Network Provider. Should covered transplant services not be available from any Network Provider, such services performed by a non-Network Provider will be covered as if they had been obtained from a Network Provider if You have obtained prior authorization from Us.

If You have transplant surgery for which benefits are payable under this Policy, the acquisition costs, including removal and evaluation of the donor organ, bone marrow or stem cells, testing and typing expenses, and donor Physician visits related to the transplant, are Covered Services.

Cornea transplantation, skin grafts, and the transplant of blood or blood derivatives (except for bone marrow or stem cells) are not considered “transplant” services and are covered on the same basis as other Medical Services.

34. Limited Coverage for Investigational and Experimental Services.

Investigational and Experimental services are covered only under certain limited circumstances. Your participation in a clinical trial which is researching an emerging technology that has been deemed Investigational by WSHIP may be eligible for coverage when all of the following criteria are met:

- a. The technology must be a Treatment for a condition that is life-threatening and that has a poor prognosis with the most effective available Treatment. A condition is considered to be life-threatening if it has a substantial probability of causing premature death within the immediate foreseeable future.
- b. The technology must be therapeutic, used to directly improve health outcomes, and not for diagnosis or supportive care.
- c. Your request must be to participate in a phase II or phase III clinical trial.
- d. The clinical trial must be conducted under a written research protocol with Institutional Review Board approval.
- e. The clinical trial must be approved by a national body, such as the National Institutes of Health, the National Cancer Center Institute, or the FDA.
- f. The technology must have approval from the appropriate government regulatory bodies, if applicable:

1. Devices must be FDA-approved via one of the following processes:
 - a. PMA (Premarket Approval)
 - b. 510(k)
 - c. HDE (Humanitarian Device Exemption)
2. Drugs must have one of the following:
 - a. Final FDA approval for marketing for at least one indication via the NDA (New Drug Application) process
 - b. IND (Investigational New Drug) approval
- g. You must be enrolled in the clinical trial at the time of Treatment for which You are requesting coverage.
- h. Routine costs of a clinical trial eligible for coverage, either in the experimental or control arm, include:
 1. Items or services that are typically provided absent a clinical trial (e.g., conventional care);
 2. Items or services required solely for the provision of the Investigational item or service being studied, the clinically appropriate monitoring of the effects of the item or service, or the prevention of complications; and
 3. Items or services needed for reasonable and necessary care arising from the provision of an Investigational item or service—in particular, for the diagnosis or Treatment of complications.
- i. Investigational costs not eligible for coverage include:
 1. The Investigational item or service *itself*, unless otherwise covered outside of the clinical trial;
 2. Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient (e.g., monthly CT scans for a condition usually requiring only a single scan); and
 3. Items and services customarily provided by the research sponsors free of charge for any enrollee in the trial.

Services provided in a trial that are approved for coverage will have benefits provided as specified in the appropriate benefit category that would ordinarily be assigned. Services provided in a clinical trial that are fully funded by another source may not be covered by Your WSHIP Policy.

A Medical Necessity review to confirm coverage of Experimental or Investigational Treatment prior to beginning Treatment is highly advisable.

IV. EXCLUSIONS AND LIMITATIONS

- A. Exclusions.** No benefits will be paid or credit given for services or supplies that are not Covered Services or that exceed the Allowed Amount. No payment will be made or credit given for any services, supplies or drugs relating to the following:

1. **Cosmetic and Reconstructive.** Cosmetic or Reconstructive services or plastic surgery except:
 - a. As provided in Section III.B, Breast Reconstruction Following Mastectomy;
 - b. Treatment of congenital defects or birth abnormalities for function repair or restoration of any body part when necessary to achieve normal body functioning; or
 - c. Reconstructive surgery when incidental to or following surgery resulting from trauma, infection or other illness that occurs during the coverage period.
2. **Counseling.** Marital, family, sexual, vocational, outreach counseling, counseling for life transition problems or job training.
3. **Custodial Care.** Custodial Care as defined in Section IX, Definitions.
4. **Dental.** Dental exams and Treatment of any kind except as provided in Section III.B, Oral Surgery.
5. **Education and Training.** Special education or training except diabetes education as described in Section III.B, Diabetes Education.
6. **Fertility.** Fertility or infertility diagnosis or enhancement and any related direct or indirect complications. Examples of excluded items are genetic testing, artificial insemination, in vitro fertilization, embryo transfer, hormone therapy related to fertility and reversal of sterilization.
7. **Foot Care.** Routine foot care or Treatment for fallen arches or flat feet.
8. **Governmental Medical Facilities.** Treatment provided by a state or federal Hospital or facility that is not a Network Provider unless payment of the charge is legally required.
9. **Military and War-Related Conditions; and Illegal Acts.** Treatment for an illness caused by or related to military service or war-related acts, or illness caused by Your commission of an illegal act.
10. **Not Medically Necessary.** Treatment that We determine is not Medically Necessary as defined in Section IX, Definitions.
11. **Obesity and Weight Control.** Treatment of obesity or weight management and any direct or indirect complications from such Treatment. This exclusion applies to all medical Treatment, surgical procedures, medication, or programs for weight reduction, even if You also have an illness that might be helped by weight loss.
12. **Services for Which You Do Not Have to Pay.** Treatment for which no charge is made, no charge would have been made if this Policy were not in effect, or for which You are not legally required to pay.
13. **Sexual Dysfunction.** Diagnosis or Treatment of sexual dysfunction regardless of origin or cause, and any direct or indirect complications of such Treatment.

14. **Transportation or Travel.** Transportation or travel except for ambulance services described in Section III.B, Ambulance.
15. **Vision and Hearing.** Routine vision and hearing exams, vision analysis, contact lenses, eyeglasses, hearing aids, surgery or other procedure or training intended to improve or correct vision or hearing except:
- a. When due to an accidental injury to the eyes or ears; or
 - b. For the initial contact lenses or eyeglasses after a covered cataract surgery without intra-ocular lens implant.
16. **Work-Related Conditions.** Treatment or diagnosis for illness caused by or related to employment, regardless of whether a claim has been made for workers' compensation, except if You are exempt from state or federal workers' compensation laws.

B. Last Payer of Benefits. This Policy is the last payer of benefits whenever any other benefit is available, even if a claim for such benefits is not properly submitted or pursued. Benefits otherwise payable under this Policy shall be reduced by all amounts paid or payable for health care through any other insurance, health insurance or health benefit plans, including but not limited to self-insured plans, and by all Hospital and medical expense benefits paid or payable under any workers' compensation coverage, automobile medical payment or liability insurance (including Personal Injury Protection coverage and Uninsured/Underinsured Motorist coverage), and any Hospital or medical benefit paid or payable under or provided pursuant to any state or federal law or program.

V. PREMIUMS, RATE CHANGES, AND COST SHARING

- A. Premiums.** Your premiums must be paid on or before the due date or during a 31-day grace period that follows. If Your premium is not received before the end of the grace period, Your coverage ends at the end of the period for which Your premium was paid.
- B. Rates and Rate Changes.** We may change premium rates for WSHIP policies. We will notify You at least 30 days before any general premium change. WSHIP rates are based on rates in the individual commercial market in Washington State; rates in the commercial market are based on the adjusted community rate. Rates may vary for geographic area, family size, age, tenure discounts, and wellness activities. Your individual rate may also change due to changes in Your age. WSHIP rates vary by age and tobacco use.
- C. Deductible(s).** The deductible is the amount You must pay each Calendar Year for Covered Services before We pay for Covered Services. Your Policy may have a single deductible for Medical Services only, two separate deductibles for Medical Services and Prescription Drugs, or a combined Medical and Prescription Drug deductible.

The specific dollar amount of Your deductible(s) and when Your deductible(s) apply are contained in the attached Schedule of Benefits.

You may elect to change to a different WSHIP deductible or plan for which You are eligible, effective on January 1 following the date You request such a change. However, Your deductible may not be decreased, nor may You elect to change to a more comprehensive non-Medicare plan. You may elect to increase Your deductible or move to a less comprehensive non-Medicare plan. The new deductible You choose must be a deductible option We offer on the date the change becomes effective. The change will become effective on January 1 following the date Your request is received. You will be advised of any changes in premium.

- D. Coinsurance and Copays.** Coinsurance is the percentage of the Allowed Amount for Covered Services that You are required to pay after meeting the deductible. Copays are fixed dollar amounts that You are required to pay for certain Covered Services at the time of service. Your Policy requires You to pay a coinsurance for covered Medical Services and a coinsurance or copay for covered Prescription Drugs.

Medical: Your coinsurance percentage for Medical Services covered under this Policy is contained in the attached Schedule of Benefits.

Prescription Drugs: Your coinsurance percentage or copay dollar amount for Prescription Drugs covered under this Policy is contained in the attached Schedule of Benefits. Coinsurance and copays are specified for Prescription Drugs up to a 30-day supply or less (90-day supply or less for prescriptions obtained through the WSHIP mail order pharmacy).

- E. Out-of-Pocket Expense Limit.** If, during a Calendar Year, Your out-of-pocket expenses for covered Medical Services, including the deductible, reach the amount shown on the attached Schedule of Benefits, We will pay at the rate of 100% of the Allowed Amount for the remainder of the Calendar Year. Out-of-pocket expenses include Your deductibles and coinsurance/copay amounts. Any amounts paid for non-Covered Services, amounts in excess of the Allowed Amount, and payments for services beyond a benefit maximum or limit do not qualify as an out-of-pocket expense.

If Your Policy has a separate out-of-pocket expense limit for covered Prescription Drugs, We will pay covered Prescription Drugs at a rate of 100% of the Allowed Amount for the remainder of the Calendar Year after You reach the amount shown on the attached Schedule of Benefits. Out-of-pocket expenses include Your deductibles and coinsurance/copay amounts. Any amounts paid for non-Covered Services or amounts in excess of the Allowed Amount do not qualify as an out-of-pocket expense.

VI. CARE MANAGEMENT

Care management services help ensure that You receive appropriate and cost-effective medical care. Your role in the care management process is very important and We encourage You to participate in these services.

Care management services include the following:

A. Medical Necessity Review. You can receive a determination in advance about whether a particular service is Medically Necessary by calling Our Medical Necessity review telephone number on Your WSHIP identification card. If the service is Medically Necessary and a Covered Service and You are eligible for coverage on the date of service, then We will pay for the service at the appropriate benefit level. We will not pay for any services that are determined by Us to be not Medically Necessary.

We encourage You to ask Your provider to call Us and request a Medical Necessity review before all admissions to a Hospital, SNF or other covered facility to verify that it meets the required criteria for claims payment. In the case of an Emergency admission, Your provider should request a Medical Necessity review on the first business day following admission. We encourage You to also obtain a Medical Necessity review prior to receiving any of the outpatient Covered Services that are listed on Your identification card.

Medical Necessity reviews let You know ahead of time if the service is Medically Necessary. They also help Us to identify situations that might benefit from case management.

A Medical Necessity review and pre-approval is required for transplant surgery and related expenses.

B. Case Management. Case management is a cooperative process among You, Your Health Care Provider and Us to consider effective alternatives to hospitalization and other high-cost care and to help You to make more efficient use of Your benefits. Your participation in a Treatment plan through case management is voluntary. You should call the same telephone number that is printed on Your identification card for Medical Necessity reviews if You would like to learn more about case management. We may also contact You.

C. Other Care Management Programs. We may offer other care management programs to You from time to time, such as disease management programs for specific diseases or conditions. Disease management programs are designed to help You better understand Your disease and how to avoid problems or complications.

VII. OTHER INFORMATION

A. Claims for Benefits.

1. **Timely Filing.** Most providers will submit claims to Us directly. Otherwise, You must submit a claim to WSHIP for payment of the benefit. You should submit all claims within 30 days after the service is completed. We must receive all claims within 365 days of discharge for Hospital or other facility expenses, or within 365 days of the date services or supplies were provided. You may obtain a claim form from the Administrator or Pharmacy Benefits Manager.
 2. **Assignment of Benefits.** Where You have assigned Your right to receive payment for any benefits for Hospital, medical or surgical services to the provider of those services, payment will be paid to the Hospital or the provider of the services. If You have not assigned the benefits, We, at Our option, will pay You or the Hospital or other provider of the services.
 3. **Misstatement of Age.** If Your age has been misstated in application materials, the premium payable under this Policy shall be adjusted for the correct age and You will be responsible for payment of the adjusted premium from the effective date of coverage. We will refund any overpayment of premium by You.
 4. **Overpayment.** If We pay a benefit under this Policy and it is later shown that a lesser amount should have been paid, We are entitled to a refund of the excess payment and We may deduct any such amount from future amounts payable to You or on Your behalf. In the absence of fraud or intentional misconduct, We will not request refunds for overpayments made more than 365 days from the date the overpayment was made by Us.
- B. Eligibility Verification.** You are required to complete and return an eligibility verification and residency form yearly or upon request. Your Policy is subject to termination in accordance with Section II.C, Termination of Coverage, in the event You fail to return the requested information.
- C. Entire Contract.** This Policy, and any attachments, is the entire contract of insurance.
- D. False or Misleading Statements.** If benefits are paid in error due to intentionally false or misleading statements made by You or on Your behalf, including intentionally false or misleading statements in application materials, We may, at Our option, deny Your claims, terminate Your coverage or rescind Your coverage under this Policy as of the effective date. (See also Section II.C, Events of Termination.) We may also refund premiums previously paid and recover claims and administrative costs from You or other persons responsible for the intentionally false information.
- E. Legal Action.** Your right to take any legal action against Us is subject to the civil immunity provision of RCW 48.41.190.
- F. Notices.** Any notice We are required to send to You will be considered to be delivered if it is mailed to You at the most recent address provided by You to Us. We will use the date of postmark in determining the date of Our notification. If You are required to submit notice to Us, it will be considered delivered on the postmark date or, if not postmarked, the date We receive it.

G. Notice of Information Use and Disclosure. In the course of administering Your benefits and as permitted by law, We may collect, use, or disclose certain information about You. This personal information may include health information or personal data such as Your address, telephone number or Social Security Number. We may receive this information from, or release it to, Health Care Providers, insurance companies, or other sources. We are required by law to maintain the privacy and security of Your personal health and financial information and to provide You with a notice of Our legal duties and privacy practices. That notice is provided separately.

We may use or disclose Your information for reasons including the following:

1. For payment: To determine eligibility, to process claims for benefits, to coordinate benefits with other health plans and insurers, and to collect premiums.
2. For healthcare operations: To operate Our program, including determining the cost of benefits, to provide care and case management services; to support grievance or quality review boards, for audit or accreditation programs or other necessary business purposes; and to fulfill Our obligations under this Policy.
3. To You or to Your representative.

Your information may also be collected, used, or released as required or otherwise permitted by law.

To safeguard Your privacy, We take care to ensure that Your information remains confidential. If a disclosure of Your information is not related to a routine business function or required by law, We remove anything that could be used to easily identify You or We obtain Your prior written authorization. You also have the right to request inspection and/or amendment of records retained by Us that contain Your personal information.

This is a summary of Our privacy policy. Further information and a copy of Our privacy policy is available from the Administrator and on Our website.

H. Notification of Address Change. You are required to notify Us of a change in Your physical residence or mailing address within 30 days of such change.

I. Notification of Tobacco Use Change. If Your tobacco use status changes, You must notify Us immediately. We will provide You with a tobacco use affidavit form to fill out and return to Us. If Your status changes from smoker to non-smoker, You will be eligible for the non-smoker (lower) premium rate after You have been tobacco-free for a period of 12 months. The rate change will be effective the month following receipt of Your affidavit stating that You have been tobacco-free for the past 12 months.

J. Third-Party Recoveries.

1. **Subrogation.** If You are injured and have the right to recover damages from a responsible third party (someone other than You or Us), benefits under this Policy will still be paid. However, We have the right (called “subrogation”), to the

fullest extent permitted by law, to recover directly from the third party to the extent of benefits We have paid on Your behalf for Illness or injury after You have been fully compensated for Your loss. We may at Our election either (1) assert Our right to recover benefits directly from the third party in Our name, or (2) sue any such third party in Your name, and have a security interest in and lien upon any recovery to the extent of the amount of benefits paid by Us and for Our expenses in obtaining a recovery, in both circumstances, after You have been fully compensated for Your loss. You or Your representative must cooperate in Our effort to collect from the third party who is responsible for Your injury. Failure on Your part to cooperate with Us in this effort may result in Your being fully responsible for the cost of the subrogated amounts. By providing benefits under this Policy, We are not acting as a volunteer and are not waiving any rights to subrogation.

2. **Reimbursement.** If You or Your representative obtain a recovery from a third party who is responsible for compensating You for Your injuries or Illness, to the fullest extent permitted by law, after You have been fully compensated for Your Loss, We are entitled to the proceeds of any settlement or judgment that results, up to the amount of benefits paid by Us for the Illness or injuries caused to You. In recovering benefits provided, We may at Our election either hire Our own attorney or be represented by Your attorney. If We choose to be represented by Your attorney, We will pay, on a contingent basis, a reasonable portion of the attorney fees which are necessary for asserting Our right of recovery in the case, not to exceed 20% of the amount We seek to recover. We will not be required to pay for any legal costs incurred by You on Your behalf, and You will not be required to pay for any legal costs incurred by Us on Our behalf. You must protect Our interests in any negotiation regarding settlement of Your claim against a third party. Before accepting any settlement on Your claim against a third party, You must notify Us in writing of any terms or conditions offered in settlement, and You must notify the third party of Our interest in the settlement pursuant to this contractual provision. If You retain an attorney or other agent to represent You in the matter, You must require Your attorney or agent to reimburse Us directly from the settlement or recovery after You have been fully compensated for Your loss. By providing benefits under this Policy, We are not acting as a volunteer and are not waiving any rights to reimbursement.

VIII. GRIEVANCES AND APPEALS

A. Complaints and Appeals.

1. **Complaints.** If You have a complaint about Our services or about a benefit or coverage decision or any other WSHIP decision regarding Your Policy, please contact Our Customer Service department. The complaint process lets Customer Service quickly and informally correct errors, clarify decisions or benefits, or take steps to improve Our service.
2. **Appeals.** If You are not satisfied with Our response to a complaint or Your complaint is a request that We reconsider Our decision to deny, modify, reduce, or end payment, coverage or authorization of coverage, You will need to submit

Your complaint as a formal appeal. You or Your authorized representative will need to request an appeal within 90 days of the event giving rise to the appeal. Following receipt of Your appeal, We will let You know if We need more information to respond to Your complaint. We will review Your complaint and respond as soon as possible, but not more than 30 calendar days after receiving the information requested to review Your complaint.

Your appeal rights and the appeal process are described below. If You have questions about the appeal process, please contact Our Customer Service department for assistance.

B. General Grievance and Appeal Rights.

If You are aggrieved by one of Our actions or decisions, You may pursue up to three levels of appeal. The first two levels are internal: first to the Administrator and second to Our grievance committee. The third level of appeal is external and may be made to a designated Independent Review Organization (IRO). IRO review is available only for appeals of decisions relating to the denial, modification, reduction, or termination of coverage of or payment for health care services. You may appeal to the IRO only after completion of Our internal review process.

C. Internal Appeal Process.

1. Appeal to the Administrator.

- a. You must notify the Administrator of Your request for appeal within 90 days of the event giving rise to the appeal. We have delegated the Administrator's responsibility for first-level appeals related to pharmacy benefit coverage issues to Our Pharmacy Benefit Manager.
- b. Within five business days, the Administrator will respond to You in writing confirming receipt of the appeal request, the date it was received, the nature of the complaint, and the resolution requested.
- c. The Administrator will investigate the complaint, consider all information submitted by You, and make its decision within 30 days of receipt of the complete information needed to respond to the appeal.
- d. The Administrator will notify You of its decision in writing and inform You of any further appeal options.
- e. The written notice will explain the decision and any supporting coverage or clinical reasons and will specifically refer to any supporting documents. If the Administrator fails to make its decision within 30 days of its receipt of the complete information needed to respond to the appeal, such failure is deemed to be an adverse decision and You may appeal to the next level.
- f. If a complaint involves denial of coverage of a service and You provide written notice to the Administrator of a need for a speedy appeal process because the regular appeal process timelines could seriously jeopardize Your life, health, or ability to regain maximum function, the Administrator will provide its written decision within 72 hours of receipt of the appeal request.

2. Appeal to Our Grievance Committee.

- a. You must notify the Administrator of Your request for appeal to Our grievance committee within 90 days of an adverse decision by the Administrator and include a written description of the complaint.
- b. Within five business days, the Administrator will respond to You in writing confirming receipt of the appeal request, the date it was received, the nature of the complaint, and the resolution requested. Within two business days of sending this notice, the Administrator will forward the appeal, with all relevant information from its files, to Our grievance committee.
- c. Our grievance committee will investigate the complaint, consider all information submitted by You, and make its decision within 30 days of its receipt of the complete information needed to respond to the appeal. The grievance committee may engage independent medical and legal experts to assist in the review process.
- d. Our grievance committee will notify You of its decision in writing and inform You of any further appeal options. The written notice will explain the decision and any supporting coverage or clinical reasons and will specifically refer to any supporting documents. If Our grievance committee fails to make its decision within 30 days of its receipt of the complete information needed to respond to the appeal, such failure is deemed to be an adverse decision and You may appeal to the next level (if applicable).
- e. If a complaint involves denial of coverage of a service, and You provide written notice to the Administrator of a need for a speedy appeal process because the regular appeal process timelines could seriously jeopardize Your life, health, or ability to regain maximum function, Our grievance committee will provide its written decision within 72 hours of its receipt of the appeal request.

D. External Appeal Process.

1. If Our grievance committee affirms a decision to deny, modify, reduce, or terminate coverage of or payment for health services, You may appeal the decision to an IRO by notifying the Administrator within 30 days of receipt of the grievance committee's written decision.
2. The Administrator will gather all relevant documents and deliver them to the IRO within three business days of receiving Your request for appeal.
3. The IRO, made up of persons not associated with Us, will review Your complaint and make a decision. The IRO will provide its decision in writing to You and Us within 20 days of Your request for appeal. We will pay the charges for the IRO's review and written report.

E. Services During Appeal Process.

If Your complaint contests a coverage decision and such decision was based on a finding of no Medical Necessity, We will continue to provide the service until the appeal is completed. Upon completion of the appeal process, if We continued to provide the service in question and it is determined that the coverage was properly denied, You will be responsible for the cost of the services provided.

IX. DEFINITIONS

“Administrator” means the entity identified in the cover letter sent with Your Policy as the Administrator or such other entity as identified by Us to You in writing.

“Allowed Amount” means, for services or supplies received from a Network Provider, the amount agreed upon by Us and the Network Provider for the Covered Service. For services or supplies received from a non-Network Provider, the Allowed Amount will be no greater than the maximum amount We otherwise would have allowed had the Covered Service been furnished by a Network Provider. We reserve the right to determine the Allowed Amount for any service or supply.

“Calendar Year” means, with respect to the first Calendar Year, the period beginning on the Policy effective date and ending on December 31 of the same year; with respect to all other Calendar Years, the period beginning on January 1 and ending on December 31.

“Catastrophic Health Plan” means:

(a) For grandfathered health benefit plans (under the Affordable Care Act) issued before January 1, 2014, and renewed thereafter, Catastrophic Health Plan means:

(i) In the case of a contract, agreement, or policy covering a single enrollee, a health benefit plan requiring a calendar year deductible of, at a minimum, one thousand seven hundred fifty dollars and an annual out-of-pocket expense required to be paid under the plan (other than for premiums) for covered benefits of at least three thousand five hundred dollars, both amounts to be adjusted annually by the insurance commissioner; and

(ii) In the case of a contract, agreement, or policy covering more than one enrollee, a health benefit plan requiring a calendar year deductible of, at a minimum, three thousand five hundred dollars and an annual out-of-pocket expense required to be paid under the plan (other than for premiums) for covered benefits of at least six thousand dollars, both amounts to be adjusted annually by the insurance commissioner.

(b) In July 2008, and in each July thereafter, the insurance commissioner shall adjust the minimum deductible and out-of-pocket expense required for a plan to qualify as a Catastrophic Health Plan to reflect the percentage change in the consumer price index for medical care for a preceding twelve months, as determined by the U.S. Department of Labor. For a plan year beginning in 2014, the out-of-pocket limits must be adjusted as specified in section 1302(c)(1) of the Affordable Care Act, as amended. The adjusted amount shall apply on the following January 1st.

(c) For health benefit plans issued on or after January 1, 2014, Catastrophic Health Plan means:

(i) A health benefit plan that meets the definition of “catastrophic plan” set forth in section 1302(e) of the Affordable Care Act, as amended; or

(ii) A health benefit plan offered outside the exchange marketplace that requires a calendar year deductible or out-of-pocket expenses under the plan, other than for premiums, for covered benefits, that meets or exceeds the commissioner's annual adjustment under (b) above.

“Covered Services” include the services listed in Section III.B, of the Policy.

“Custodial Care” means care that does not require the regular services of a Health Care Provider and is designed primarily to assist You in the activities of daily living. Custodial Care includes, but is not limited to, help in walking, getting in and out of bed, bathing, dressing, feeding and preparation of special diets, and supervision of medications that are ordinarily self-administered.

“Dependent Child” or **“Dependent Children”** means all minor, natural or adopted children of Yours who have not reached the age of 26. Dependent Child or Dependent Children also includes such children over the age of 26 who are dependent on You for support and maintenance by reason of developmental disability or physical handicap, provided that proof of such incapacity is submitted to Us within 31 days of the Dependent Child's attainment of age 26.

“Designated Network Provider.” See “Network Provider” below.

“Durable Medical Equipment” is equipment that can withstand repeated use, is primarily and customarily used to serve a medical purpose, is useful only in the presence of an Illness and is used in a home setting. Durable Medical Equipment includes Hospital beds, wheelchairs, walkers, crutches, canes, glucose monitors, external insulin pumps, oxygen and oxygen equipment. We, in Our sole discretion, will determine if equipment will be made available on a rental or purchase basis. Durable Medical Equipment does not include domestic or recreational equipment such as air conditioners, spas and exercise equipment, even if prescribed by a Physician.

“Emergency” means the sudden, unexpected onset of a medical condition that in the reasonable judgment of a prudent person is of such a nature that failure to render immediate care by a licensed medical provider would place Your life in danger, or cause serious impairment to Your health.

“Health Care Provider” means any Physician, facility or health care professional duly licensed and entitled to reimbursement for health care services.

“Home Health Agency” means a public or private agency or organization licensed and operated as a Home Health Agency in accordance with state law.

“Home Health Care Plan” means a plan for Your continued care and Treatment by a Home Health Agency. The Home Health Care Plan must be approved in advance in writing by Your attending Physician.

“Hospice Care” means a coordinated, interdisciplinary program provided by a licensed hospice agency to meet Your physical, psychological and social needs when You are terminally ill as certified by Your attending Physician.

“Hospital” means a facility licensed by the state as a Hospital that provides diagnosis, Treatment, and care of persons over a continuous period of twenty-four hours or more.

When Treatment is needed for mental disease or disorder, “Hospital” means a facility that meets these requirements:

- Provides inpatient psychiatric services for the diagnosis and Treatment of mental Illness on a 24-hour basis;
- Has rooms for resident inpatients;
- Is equipped to treat mental diseases or disorders;
- Has a resident psychiatrist on duty or on call at all times; and
- As a regular practice, charges the patient for the expense of confinement.

A Hospital does not include a facility or institution or part of a facility or institution that is licensed or used principally as a clinic, convalescent home, rest home, SNF or home for the aged.

“Illness” means a disease, disorder, condition or injury that requires Treatment by a Health Care Provider.

“Investigational or Experimental” means a service, drug or device that meets one or more of the following criteria at the time it is provided, as determined by Us. The service, drug, or device:

- Cannot be legally marketed in the United States without the approval of the FDA and such approval has not been granted;
- Is subject to a New Drug or New Device Application on file with the FDA;
- Is provided as part of a Phase I or Phase II clinical trial, as the experimental or research arm of a Phase III clinical trial, or in any other manner that is intended to evaluate the safety, toxicity or efficacy of the service;
- Is provided pursuant to a written protocol or other document that lists an evaluation of the safety, toxicity or efficacy of the service, drug or device among its objectives;
- Is subject to the review or approval of an Institutional Review Board or other body that reviews or approves research concerning the safety, toxicity or efficacy of services, drugs or devices; or
- Is provided pursuant to informed consent documents that describe the service, drug or device as Investigational or Experimental, or in other terms that indicate that the service, drug or device is being evaluated for its safety, toxicity or efficacy.

“Medicaid” means the program established under Title XIX of the federal Social Security Act.

“Medical Services” means Covered Services, excluding Prescription Drugs.

“Medical Staff” means the medical director acting on Our behalf and any independent medical experts engaged by Our medical director.

“Medically Necessary” or **“Medical Necessity”** means services or supplies provided by a Health Care Provider to diagnose or treat an Illness that Our Medical Staff and/or the IRO (under the grievance process set forth in Section VIII) determines is:

- Appropriate and consistent with Your condition, diagnosis or Illness;
- Consistent with standards of good medical practice in the United States;
- Not primarily for Your or Your Health Care Provider’s comfort or convenience;
- Not Investigational or Experimental;
- Not provided as part of Your scholastic education or vocational training; and
- In the case of inpatient care in a Hospital, SNF, Hospice or any other facility, such services or supplies could not be provided safely via a less costly level of service.

“Medicare” means the program established under Title XVIII of the federal Social Security Act.

“Myofascial Pain Dysfunction (MPD)” is a disorder involving muscles surrounding and adjacent to the Temporomandibular Joint (TMJ) area that is characterized by:

- Preauricular-temporal, occipital and/or jaw pain;
- Spasm and/or tenderness of the masticatory muscles; or
- Limited jaw movement.

“Network Pharmacy” is a pharmacy vendor for whose services We have contracted to fill prescriptions under this Policy.

“Network Provider” is a Health Care Provider for whose services We have contracted to deliver Covered Services under this Policy. For certain Covered Services, certain Health Care Providers (“Designated Network Providers”) have specially contracted to provide better pricing for WSHIP enrollees.

“Our,” “We” or **“Us”** means the Washington State Health Insurance Pool.

“Pharmacy Benefit Manager” means the entity identified in the cover letter sent with Your Policy as the Pharmacy Benefit Manager, or such other entity as identified by Us to You in writing.

“Physician” means one of the following licensed providers, but only when the provider is rendering a service within the scope of his or her license:

- Doctor of Medicine (MD);
- Doctor of Osteopathy (DO);
- Dentist (DDS);
- Optometrist (OD);
- Podiatrist (DPM);
- Psychologist (Masters or PhD);
- Clinical Social Worker (MSW);
- Chiropractor (DC);

- Registered Nurse (RN);
- Advanced Registered Nurse Practitioner (ARNP);
- Naturopathic Doctor (ND); or
- any other provider required to be treated as a Physician under the insurance laws of the State of Washington.

“**Policy**” consists of this plan Policy, the Schedule, the completed application and all attachments and endorsements included or issued by Us hereafter.

“**Prescription Drug**” means any medical substance that (1) has been approved by the FDA, and (2) is required to bear the following legend on its label: “Caution: Federal law prohibits dispensing without a prescription.”

“**Schedule**” means the Schedule of Benefits attached to this Policy.

“**Skilled Nursing Care**” means any Treatment that is rehabilitative in nature and is required to restore You to Your prior level of health after an accident or Illness. Skilled Nursing Care is a level of care that is higher than Custodial Care and lower than Hospital care.

“**Skilled Nursing Facility (SNF)**” means a facility that primarily provides inpatient Skilled Nursing Care or rehabilitation services and that is licensed by the state as a nursing home. SNF does not include a rest home or place for Custodial Care or maintenance care.

“**Temporomandibular Joint (TMJ)**” dysfunction means a disorder of the Temporomandibular Joint (the joint which connects the mandible or jawbone to the temporal bone) that is generally characterized by:

- Pain or muscle spasms in one or more of the following areas: face, jaw, neck, head, ears, throat or shoulders;
- Popping or clicking of the jaw;
- Limited jaw movement or locking;
- Malocclusion, overbite or underbite; or
- Mastication (chewing) difficulties.

“**Treatment**” means the consultations, tests, procedures and interventions that are:

- Customarily applied in the care of persons with similar complaints and findings by similarly trained Health Care Providers; and
- Generally accepted as the effective elements of care.

“**Washington State Resident**” means a person who is domiciled in Washington State for purposes other than obtaining insurance. “Domicile” denotes a person’s permanent home and place of habitation.

“**WSHIP**” means Washington State Health Insurance Pool.

“**You**” or “**Your**” means the individual in whose name the Policy is issued.
