SECTION 8: EFFECTIVE DATE OF COVERAGE

NOTE: The “**Application Received by WSHIP Date**” is the postmark date of the application that you mailed to WSHIP or the date WSHIP receives a faxed copy of your application, whichever occurs first. The original application must be postmarked and mailed to WSHIP no later than five (5) days following the date you faxed the application to WSHIP. Once the application is approved, your insurance coverage and premiums will begin on the first (1st) of the month based on your choice.

Check one choice below to select your effective date of coverage:

AS SOON AS WSHIP CAN PROCESS MY APPLICATION

I understand that if my application is faxed or postmarked on or before the last day of the month, then I may be eligible for WSHIP coverage effective the 1st of the next month. However, if my application is faxed or postmarked after the last day of the month, my coverage will not start until the 1st of the FOLLOWING month.

Example: If received July 31, will be effective August 1; if received August 1, will be effective September 1.

A FUTURE DATE

This must be on the 1st of the month and can be no more than 60 days later than when your application was faxed or postmarked. (Example: If postmarked May 2, your coverage can be effective no later than July 1.)

What Future Date of Coverage do you want? (month) _____ (year) _____

AN EARLIER DATE

To be eligible for an earlier (retroactive) effective date, these two things must be true:

- You applied for individual coverage with a Washington state health carrier no later than the end of the month for an effective date of the 1st of the following month, and you were rejected; and,
- You are mailing or faxing this WSHIP application within 15 days of receiving that carriers' Notice of Rejection.

Example: You applied to a health carrier on April 30; you were rejected and received that rejection notice on May 3; you applied to WSHIP on May 15. You may request a WSHIP effective date of May 1.

If both of the above are TRUE, you may select an effective date that your coverage with the individual carrier would have been effective:
